

LANDSBOROUGH STATE SCHOOL UNIFORM POLICY

Rationale

Landsborough State School prides itself on being a uniform school. The Uniform Policy has the support of our Parents' and Citizens' Association and reflects Section 364 & 365 of the Education (General Provisions) Act 2006.

Landsborough's Uniform Policy reflects school community standards and is consistent with Occupational Health and Safety and Anti-Discrimination legislation.

School Community Beliefs about the Importance of School Uniform

Landsborough State School has a Uniform Policy because of the beliefs it offers a dress expectation that contributes to a safe and supportive teaching and learning environment through:

- incorporating recommendations of the Queensland Cancer Council Sun Safe clothing guidelines
- ready identification of students and non-students at school and when outside of school on approved school activities
- fostering a sense of belonging
- developing mutual respect among students by minimising visible evidence of economic or social difference
- promoting an effective teaching and learning environment by eliminating the distraction of competition in dress and fashion at the school

The Uniform Policy outlines:

- Standards of what is acceptable in relation to the clothing worn by the students including headwear and footwear
- Standards of what is acceptable in relation to other aspects of the personal presentation of the students
- Expectations of when students are to wear the uniform including:
 - When attending school or representing their school
 - travelling to and from school and
 - engaging in school activities out of school hours

Swimming Lessons

In line with Education Queensland's Sun Safety Strategy children are required to wear swim shirts for all water activities. If parents are unable to provide a swim shirt, we will allow students to wear a t-shirt instead.

Responsibilities

School responsibilities: STAFF MUST ALL BE DILIGENT IN CHECKING THEIR STUDENTS IN CLASS. THIS IS A WHOLE OF SCHOOL RESPONSIBILITY. Teacher marks roll and checks all students for correct uniform

Student responsibilities: Each student is to wear the correct school uniform as per our school policy.

Parent responsibilities: Parents and Carers consent to uphold our student dress code when signing their enrolment agreement.

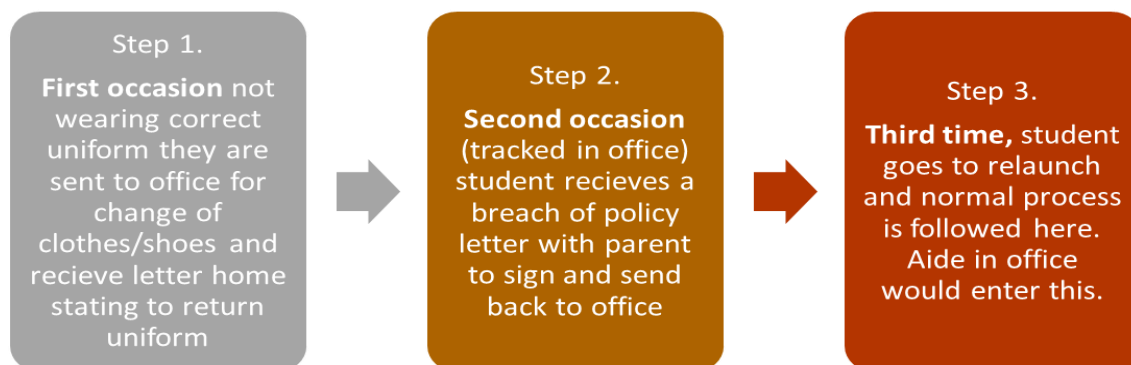

Strategies

At **Landsborough State School** we realise from time to time students are unable to wear their uniform for good reason. They are required to bring a note from their parent/caregiver indicating when the student will be able to wear their uniform.

Responses to Non Compliance

Students not in correct uniform will be required to change into second-hand uniforms loaned from our school. Under the Education (General Provisions) Act 2006, permitted sanctions for non-compliance of the dress code include:

- Relaunch
- Prevention of the student from attending, or participating in any school activity that, in the reasonable opinion of the school's principal, is not part of the essential education program of the school.
- All decisions are made at the discretion of the Principal.
